RESEARCH EXPERIENCE:

- Research Associate in Gulati Institute of Finance and Taxation, Trivandrum in the Project, Monitoring and Evaluation of Schemes implemented through Scheduled Castes Development Department, Kerala and the following study reports are submitted

- 1. Study on Pre Matric and Post Matric Hostels Managed By Scheduled Castes Development Department**

The study explored the present status of pre matric and post matric hostels under Scheduled Castes Development Department, Government of Kerala, and the impact of hostel life and facilities on the academic, personal and social development of hostel students. The Report highlights the experiences and opinions of the hostel residents about the quality of hostel life and the facilities and arrangements provided by the Department for them. It also highlights the gender sensitivity of hostels. The level of student satisfaction about hostel accommodation was also analysed.

- 2. Study on Industrial Training Institutes Managed By Scheduled Castes Development Department**

This study was an analysis of the functioning of ITIs under SCDD in Kerala, keeping in view the objectives behind establishing them. This Study analyses the functioning of the ITIs, their present position, strengths and limitations, to suggest measures needed to improve their effectiveness.

- 3. Study on Pre Examination Training Centres Managed By Scheduled Castes Development Department**

This report provides an analysis and evaluation of Pre-Examination Training Centers functioning under Scheduled Castes Development Department. The main objective of the study was to analyze the technical and functional quality of

PETCs which includes the quality and content of PETCs education inputs, quality of infrastructure, library/reference facility, human resources etc.

4. Study on Model Residential Schools Managed by Scheduled Castes Development Department

The status of Model Residential Schools under Scheduled Castes Development Department (SCDD) and the impact of residential schooling and its facilities on the academic, personal and social development of hostel students were analysed in this study. The Report highlighted the experiences and opinions of the students in Model Residential Schools about the quality of academic and hostel life and the facilities and arrangements provided by the SCDD for them.

5. Evaluation of Training Programmes of Pre Recruitment Training Centre (PRTC), Kozhikode for SC/ST Candidates.

This study pertained to the Pre Recruitment Training Programme and Security Guard Training Programme conducted by Pre Recruitment Training Centre, Kozhikode. The Report highlighted the nature and method of implementation of these schemes and its usefulness to SC beneficiaries in the light of allegations raised by some of the students who passed out from PRTC.

6. Study on Nursery Schools of Scheduled Castes Development Department

The objective of this study was to analyse the present status of nursery schools under SCDD, understand their problems and issues and make some suggestions to improve their functioning.

7. Household Primary Sample Survey of Scheduled Castes in Kerala (Schemes)

This report contains the scheme-wise analysis of the primary sample survey conducted on the Scheduled castes households in Kerala. In this report personal detail of members of the household, schemes relating to the household and individual are

analysed based on the estimation on the sample survey conducted on 54864 Scheduled Castes household members residing in 13508 houses.

8. Household Primary Sample Survey of Scheduled Castes in Kerala (Detailed Household Schemes)

This report analysed the implementation of the household scheme of Scheduled Caste Development Department (SCDD) of Government of Kerala during 2007-2017 based on a sample survey conducted during 2017-18 by GIFT. The household schemes are land, house, land & house, toilet, electrification, water connection, open well and house maintenance.

9. Household Primary Sample Survey of Scheduled Castes in Kerala (Detailed Individual Schemes)

This report analysed the implementation of the individual schemes of Scheduled Castes Development Department during 2007-2017 based on a State-wide sample survey conducted during 2017-18 by GIFT. The individual schemes are education, education award, medical assistance, marriage & inter-caste marriage, debt waiver and agriculture & animal husbandry.
